Condition Some wear consistent with age and use.

Country Origin France

Date of Manufacture 1887 - 1889

Size 1 largest one 225 cm H

Size 2 Base width 53 cm

Material Oak

PRODUCT DESCRIPTION

Both carved crosses are from the same family, probably two sisters. Despite the many flaws in their lettering, one can still read 'Marie 1889' and 'Helen, died on December 1887 10th'. They are mounted

on a contemporary steel base preserving their original patina and giving these objects all their emotional charge.

dimensions: 225 cm H x 53 cm Base W for the largest one.
