

## TWO SKINNED ANATOMIC PLASTER MODELS AFTER HOUDON

**SKU:** 1669

**Condition** very good condition

**Country Origin** France

**Date of Manufacture** XXth century

**Material** Plaster

### PRODUCT DESCRIPTION

These models were used in conventional drawing anatomy class schools and academies of fine arts at the beginning of the century. They can be therefore found in different sizes and models. These two proposed skinned models, although partially restored, have kept their authentic time patina.

Dimensions: the big one 105 cm H, the small one 78 cm H
